The usual distances for each round are shown but for most rounds a shorter or longer version is available. The number of arrows stays the same.

There will be a box available each week for a voluntary contribution towards the cost of tea, coffee, milk and cake. Any surplus at the end of the season will be put into club funds.

Novices – if you aren't yet able to shoot the full round it doesn't matter. Come along and have a try/ do what you can. You might be surprised how quickly you improve with regular practice.
